### 2017 Youth Leadership Program

#### Greetings:

The Rocky Mountain Chapter is excited to nominate one qualifying youth for the 2017 Youth Leadership Program. This program is offered to qualified students who have demonstrated above average academic standards (3.0 or higher on a 4.0 scale), as well as good citizenship the opportunity to participate in an eight-day program of leadership development at the FBI Academy.

The accompanying documents will give you the necessary information to determine qualification of the youth and the application. A transcript showing a GPA of 3.0 or higher is required to be submitted with the application. The applicant **MUST** be age 14, 15 or 16 on the first day of the program – June 22, 2017.

There is a waiver form that must be signed to allow the youth to participate in physical activity on the Marine base (where the Academy is located).

There is also reference to a medical release form. The selected youth will be required to participate in physical activity every day. The activity is not high intensity, but can be difficult if there is an injury or medical issue. Those selected to attend will be required to complete the medical release with a physician no later than April 10, 2017. Please do not schedule a physician appointment unless you have been selected by the chapter.

A sample schedule is included from last year's program to give you an idea of what is expected and the type of physical activity.

Please ensure that an FBINAA member has sponsored the applicant and made a notation of session # and member #.

The completed application must be submitted **by e-mail no later than March 15, 2017 at 5:00PM.**

Send the application to:

Second Vice-President  
**Captain John Burbach**  
**Denver Police Department**  
john.burbach@denvergov.org
